

SNOW DAY HOMEWORK- YEAR 3 and YEAR 4

2ND MARCH 2018

Dear children,

With this being our third snow day of the week, we wanted to give you some homework to do!

- 1) Build a snow structure or sculpture, take a photo of it and bring it in for a snow art gallery.
- 2) Write a book review of your favourite snow related story, giving a brief overview of the plot, telling me about the characters and why this is your favourite book.
- 3) Are all snowflakes symmetrical? Make some paper examples, stick them on a page and draw in the lines of symmetry to explore and answer the question.

Finally...treasure the memories of playing in the snow- it doesn't come very often so make the most of it!

Enjoy!

From Mrs Black, Mrs Stoker, Mrs Burdon and Miss Pringle.
